

THIN THANDAR SOE

Junior Web Developer

ABOUT ME

- I'm 18 and really into technology and programming. I may not have a lot of formal training yet, but I'm super creative and pay close attention to details. I love working with others and am eager to learn from experienced folks. This job seems like a perfect fit for me because I can gain hands-on experience, improve my skills, and be a part of cool projects.

EXPERIENCE

Community Management Executive | 2024 – Current

Study Link

- Communicated with clients and kept accurate records of their information.
- Updated and organized company files and databases to keep information correct.
- Helped with office tasks to make work easier for the team.
